

PROGRESS IN NAVIGATING AIR

War Balloon Makes
Successfully Successful Voy-
Under Perfect Control.

NEW FEATURES EMBODIED IN BUILDING

From Engines Turned
Gas for Use of the
Airship.

Oct. 5.—That the British
made practical progress in
the problem of aerial
navigation when the dirigible
which has been giving sev-
eral months of service at
Aldershot camp sailed
aboard, thirty-five miles
from here, to London, and after
flying over the city, started back
toward London.

It crossed the Thames at
Woolwich bridge, and, making a
wide turn, proceeded over Fleet street
toward the city, making a complete
circle of the latter thoroughfare,
by thousands of people.

It then went around Trafal-
gar square, over the war office, and
toward the Admiralty, and the houses
along the river, traveling at the rate of
about ten miles an hour and being
perfectly controlled. The balloon is
about 100 feet long by 30
feet wide, and has a lifting ca-
pacity of about one ton, which, after
the weight of the car, the engine,
and other apparatus, permits car-
rying of three men. The car
itself, which is shaped like a
cigar, is constructed of aluminum
and the engines are so built that
the vapor is turned into gas
and is used in the balloon above
the car. The capacity of the
gas is 75,000 cubic feet. The
car is carried in the balloon
by means of ropes, and the
balloon is kept in the air by
the use of gas.

A large sail at the stern of
the car, which is made of
cotton, is used to keep the car
steady. From the center of the
car, a pair of ropes are used to
keep the car steady. The car
is also provided with other
arrangements for keeping the
car steady.

Dyspepsia Is Often Caused by Cat-
arrh of the Stomach—Peruna Re-
lieves Catarrh of the Stomach and Is
Therefore a Remedy for Dyspepsia.

Hon. M. C. Butler, U. S. Senator
from South Carolina for two terms,
in a letter from Washington, D. C.,
writes to the Peruna Medicine Co.,
as follows:
"I can recommend Peruna for
dyspepsia and stomach trouble. I
have been using your medicine for
a short period and I feel very much
relieved. It is indeed a wonderful
medicine, besides a good tonic."

CATARRH of the stomach is the cor-
rect name for most cases of dyspep-
sia. Only an internal catarrh reme-
dy, such as Peruna, is available.
Peruna Tablets can now be procured.

WESTERN UNION OFFICIAL ASSAULTED BY STRIKER

DENVER, Colo., Oct. 5.—E. E. Leon-
ard, superintendent of the Western
Union Telegraph company, was as-
saulted on the street in this city to-
day by T. A. Banks, a member of the
telegraphers' strike committee. Mr.
Banks struck Mr. Leonard repeatedly
over the head with his fists. Both men
were arrested by a policeman on a
charge of disturbing the peace. After
his release, Mr. Leonard swore out a
warrant charging Banks with assault
and battery. Mr. Banks alleges that
he had been blacklisted and that he
sought an interview with Superintendent
Leonard to discuss the matter. The
assault occurred after Mr. Leonard re-
fused to talk with him.

ROSENBERG ESCAPES CONSPIRACY CHARGE

MILWAUKEE, Wis., Oct. 5.—I. J.
Rosenberg, indicted at Denver for
conspiracy to defraud the government
in connection with the operations of
the Federal Coal and Iron company,
was today discharged by United States
Commissioner Bloodgood, the govern-
ment having failed to show his con-
nection with the alleged conspiracy.
The arguments in the case of C. L.
Jones were then taken up, the attor-
neys for Jones arguing that the con-
spiracy, if any had been shown, was
made in Milwaukee and not in Colorado,
and that therefore the case was triable
in this jurisdiction. Adjudgment was
taken until Monday.

Wrong Impression Corrected.

Salt Lake City, Oct. 5.
Editor Tribune.—In your issue of
the 4th inst. is an account of an East-
ern city police department on account of
some mental hallucination.
In the article it is stated that
the lady had called on a Christian Science
practitioner in this city for aid and
had been informed by him "that he
could render her no assistance."
As Christian Science publication
committee for Utah I wish to correct
this statement. Headquarters I received
the name of the Christian Scientist re-
ferred to, and he informs me that he
did not speak with the lady, but that
another practitioner did in his hearing,
and told the lady she would help her
as soon as she was settled and gave
her directions to a quiet home, where
she could get rooms, telling her to
come back soon as she was settled and
she would take up her case, but that
the lady did not come back for help.
I then visited the lady at the police
station. She confirmed the other state-
ments.
She certainly seemed mentally clear
and quiet while I talked with her, and
hopeful of being relieved of the hal-
lucination—and it seemed to me prob-
able that she soon would be.

Publication Committee.

HAS WRITTEN EXPOSE OF SCANDALS IN ARMY

Former Captain Kirkman Hur-
ries From Penitentiary to a
Publishing House.

LEAVENWORTH, Kan., Oct. 5.—Ex-
Captain George W. Kirkman, late of the
Twenty-fifth United States Infantry,
was discharged from the United States
penitentiary here this morning. He im-
mediately announced that he had writ-
ten a book dealing with the inside of
army life. Kirkman attempted to get
the book printed at a Kansas City pub-
lishing house, but without success. The
book will deal with scandals in the
army, and it is stated affects several
well-known officers. Kirkman will leave
this afternoon for Chicago, where he
says he will lay the manuscript be-
fore a publisher. He says Marshall
M. Kirkman, vice-president of the Chi-
cago & Northwestern railroad, his uncle,
is to finance the publication.

Figured in Tragedy.

Kirkman is a member of one of the
best known army families in the United
States. In 1905, while stationed at
Fort Niobrara, he caused the suicide in
Omaha of an officer of his regiment be-
cause of remorse on account of his
wife's relations with Kirkman. Kirk-
man was tried shortly after this and
convicted of conduct unbecoming an of-
ficer and a gentleman. He was sen-
tenced to two years' imprisonment and
dismissed from the army.

Previous to this, in 1900, while cap-
tain of the Twenty-third infantry, he
was tried in Manila on a charge of
offensive conduct toward the late Arch-
bishop Chappelle, while en route to the
Philippines on a transport.
Harrison Grey Otis, then in command
of the army in the Philippines. Kirk-
man was found guilty and sentenced to
dismissal from the army. He appealed,
however, contending that the sentence
of dismissal was illegal on the ground
that at the time it was approved by
General Otis, a state of war did not
exist in the Philippines, in which the
United States was contending.

SOME GENUINE CHARITY FOR WOMAN CONVICT

NEW YORK, Oct. 5.—A fund of sev-
eral thousand dollars has been raised
for Bertha Claiche, who is serving a
two-year term in the Bedford reforma-
tory for killing Emil Gerzon, her former
sweetheart, who she declared had en-
sured her in this city.
The money will be used in fixing up
a little dressmaking establishment for
the young woman. She will be free
in a few weeks.

Panic at Bargain Counter.

KANSAS CITY, Oct. 5.—Three thou-
sand persons, mostly women, some
carrying babies, attempted to crowd
into a 10-cent store that had just
opened here in Main street today. A
semi-panic resulted. A dozen women
fainted, baby was trampled upon, but
not seriously hurt, and three women
were slightly injured.

Johnson Not a Candidate.

ST. PAUL, Minn., Oct. 5.—Governor
Johnson is out with a formal state-
ment to the press of the Twin Cities
that he is not and has not been a
candidate for the nomination of Presi-
dent. He also states that he knows
that William J. Bryan is, and has been,
a candidate for the Presidency for the
past three months.

Pimples Stopped in 5 Days

Every Possible Skin Eruption Cured in
Marvelously Quick Time by the
New Calcium Treatment.

Send for Free Sample Package Today.

Boils have been cured in three days,
and some of the worst cases of skin
diseases have been cured in a week, by
the wonderful action of Stuart's Cal-
cium Wafers. These wafers contain as
their main ingredient, the most thor-
ough, quick, and effective blood-
cleanser known, calcium sulphide.

Most treatments for the blood and
for skin eruptions are miserably slow
in their results, and besides, many of
them are poisonous. Stuart's Calcium
Wafers contain no poison or drug of
any kind; they are absolutely harmless
and yet do work which cannot fail to
surprise you. They are the most pow-
erful blood purifier and skin clearer
ever discovered, and they never de-
range the system.

No matter what you suffer from,
pimples, blackheads, acne, red rash,
spots, blotches, rash, tetter or any
other skin eruption you can get rid
of them long before other treatments
can even begin to show results.

Don't go around with a humiliating,
disgusting mass of pimples and black
heads on your face. A face covered
over with these disgusting things
makes people turn away from you, and
breeds failure in your life work. Stop
it. Read what an Iowa man said when
he woke up one morning and found he
had a new face:

"By George, I never saw anything
like it. There I've been for three
years trying to get rid of pimples and
blackheads, and guess I used every-
thing under the sun. I used your Cal-
cium Wafers for just seven days. This
morning every blessed pimple is gone
and I can't find a blackhead. I could
write you a volume of thanks, I am so
grateful to you."

You can depend upon this treatment
being a never-failing cure.

Just send us your name and address
in full, today, and we will send you a
trial package of Stuart's Calcium Wa-
fers, free to test. After you have tried
the sample and been convinced that all
we say is true, you will go to your

Open Publicity

Insures a fair, square and honest deal. It characterizes the policy of
Dr. Pierce as relates to the composition of his time-proven and most
popular medicines. Their ingredients are on each bottle-wrapper,
attested under oath and printed in plain English. Dr. Pierce's Fa-
vorite Prescription is the only medicine designed for the cure of wom-
an's peculiar ailments and sold by druggists, the makers of which
publish on each bottle-wrapper what the medicine contains.

Dr. Pierce's Favorite Prescription con-
tains no alcohol, and no narcotics or
other harmful or habit-forming drugs,
as will be seen from its published in-
gredients. It contains only such native,
medicinal roots as are most highly rec-
ommended by leading medical writers
and practitioners of all the several
schools of practice, for the cure of wom-
an's delicate and peculiar ailments. It
is safe for women to take in any con-
dition of the system, as it assists Nature
in restoring the healthful action of all
the organs distinctly feminine.

Nature's own cure. In fact, "Fa-
vorite Prescription" is Nature's own
cure for the many derangements and
weaknesses peculiar to women. It is
advised for no other diseases. If you
are a weak, tired, nervous,
over-worked, broken-down, pain-racked
woman, either young, old or middle-
aged, suffering from frequent headaches,
backaches, dizziness or fainting spells,
gnawing or distressed feeling in stomach,
perhaps see imaginary specks, or dark
spots floating before the eyes, have
dragging-down or heavy feeling in lower
abdomen, or pelvic region, with, per-
haps, pelvic catarrh, or other symptoms
of functional or organic affections of the
distinctly feminine organs, then you will
make no mistake if you resort to the
use of Dr. Pierce's Favorite Prescription.
The most advanced medical science
knows no better agents for the cure of
all such diseases than are happily and
harmoniously combined in this widely-
famed "Prescription" of Dr. Pierce.

You can't afford to accept any secret
notion of unknown composition and
of questionable merit as a substitute
for this professionally endorsed and time-
tested remedy of KNOWN COMPOSITION,
simply that some unprincipled dealer
may make a little larger profit. Don't
expect it to perform miracles but give
it a fair, persevering trial and it is not
likely to disappoint you. It won't dis-
cuss tumors—no medicine will. It
will cure a larger percentage of all cur-
able ailments which especially afflict
womanhood than any other medicine
sold by druggists for that purpose.

As to Dr. Pierce's Golden Medical
Discovery it has a very large range of
application, yet it is by no means rec-
ommended as a "Cure-All." It pos-
sesses marvelous alternative, or blood-
cleansing, properties and is at the same
time a most invigorating tonic, or
strength giver. It exerts a specific,
cleansing, soothing and healing effect
upon all the lining mucous membranes
of the system; hence, its great curative
value in all catarrhal affections, no
matter where located.

In Chronic Nasal Catarrh, it is well
to cleanse the passages two or three
times a day with Dr. Pierce's Catarrh
Remedy fluid, while persisting in the
use of the "Golden Medical Discovery."

Is this corner for a flat site. Now just con-
sider for a minute the location—Second
South, Sixth East, facing south—pavement
all around and paid for. So is the sewer
and sidewalk. Lots of ground, too—10x10.
You can sell half of it, or even two-thirds,
and then have your corner left for your flat.
You can sell that two-thirds for \$12,000—
then your corner would stand you in only
\$5500—think of it—it's a snap.

Go up there and look at it—you can figure
it out for yourself. It's the prettiest, and
lays the best of any corner on Second

worth \$25,000, you will blame yourself for
not buying it at \$17,500.
